### Sweet Caroline

*Where it began  
I can't begin to knowin'  
But then I know it's growing strong  
Was it the spring  
And spring became the summer  
Who'd have believed you'd come along*

*Hands, touchin' hands  
Reachin' out, touchin' me, touchin' you*

Sweet Caroline  
Good times never seemed so good  
I'd be inclined  
To believe they never would

*Look at the night  
And it don't seem so lonely  
We fill it up with only two  
And when I hurt  
Hurtin' runs off my shoulders  
How can I hurt when I'm with you*

Ah\_\_\_\_. Ah\_\_\_\_. Ah\_\_\_\_. Ah\_\_\_\_. Touching you.

Sweet Caroline

To believe they never would

### Reason to Believe

*Sitting alone in the darkness feeling so confused  
I don't know where to turn to with nothing left to lose  
I can feel life changing nothing stays the same  
I try to find the strength inside to face another day*

*I'm holding on I know I'm strong my spirits still alive  
I feel the light that burns inside  
My dreams will never die  
That's the reason to believe*

*The reason to hold on  
There's always one more day  
Yeah, tomorrow always comes*

Faith lights a way\_\_\_\_\_  
*For us to see that's the reason to believe  
Now I'm understanding the lessons to be learned  
Another little victory with every page that turns*

### Be Who You Are

So you're feeling like another crack in the sidewalk  
And people keep stepping around you  
And your life is like another circus sideshow  
That nobody wants to come to

Ooh \_\_\_\_\_ *Oh so take the make you're wearing friend*  
Ooh \_\_\_\_\_ *You're not going to need it anymore*

Be who you are, (And) Not what they want  
(And) Not what they say, (But what's) In your heart \_\_\_  
(Gotta) Make your own road,  
Don't run with the crowd  
(Got) Something to say, (Then) Say it out loud \_\_\_  
(Stand up and be proud) Stand up and be proud.  
(And be who you are)

Ooh \_\_\_\_\_ *In this universe a million stars are shining*  
*But none of them shine the same*  
Ooh \_\_\_\_\_ *We all got a gift burning deep inside of us*  
*Bigger than fortune or fame*  
Ah \_\_\_\_\_ *So don't let no one tell you what you can or*  
*cannot be*  
Ah \_\_\_\_\_ *As long as you're alive you're always free to*

Be who you are, (And) Not what they want  
(And) Not what they say, (But what's) In your heart \_\_\_  
(Gotta) Make your own road,  
Don't run with the crowd  
(Got) Something to say, (Then) Say it out loud \_\_\_  
(Stand up and be proud) Stand up and be proud.  
(And be who you are)

(You gotta reach for the clouds) Gotta reach for the clouds  
Be who you are. Be who you are.  
Be who you are \_\_\_\_\_. Ah \_\_\_\_\_ Be who you are.

### We Are the World

There comes a time when we heed a certain call  
When the world must come together as one  
There are people dying  
Oh, and it's time to lend a hand to life  
The greatest gift of all

We can't go on pretending day by day  
That someone, somehow will soon make a change  
We're all a part of God's great big family  
And the truth  
You know love is all we need

We are the world, we are the children  
We are the ones who make a brighter day  
So let's start givin'  
There's a choice we're makin'  
We're savin' our own lives  
It's true we'll make a better day just you and me

*Well, send 'em you your heart so they know that someone cares*  
*And their lives will be stronger and free*  
*As God has shown us by turning stone to bread*  
*And so we all must lend a helping hand*

Ooo \_\_\_\_\_  
We are the world, we are the children  
We are the ones who make a brighter day  
So let's start givin'  
There's a choice we're makin'  
We're savin' our own lives  
It's true we'll make a better day just you and me

*When you're down and out there seems no hope at all*  
*But if you just believe there's no way we can fall*  
*Well, well, well, let's realize that a change can only come*  
*When we stand together as one*

Ooo \_\_\_\_\_  
We are the world, we are the children  
We are the ones who make a brighter day  
So let's start givin'  
There's a choice we're makin'  
We're savin' our own lives  
It's true we'll make a better day just you and me  
(sing 4 times)

It's true we'll make a better day just you and me \_\_\_\_.
