

Bach Children's Choir • March 11, 2017

To Whom It May Concern:

The Bach Children's Choir is a private, non-profit organization (I.D. # 47-0926060) committed to providing quality music education to children throughout the Central Valley. Each season the Bach Children's Choir hosts a major fundraising event to support its program and provide funds to keep tuition costs down and make music accessible to all children in our community. These funds are used to benefit our organization by providing scholarships to students, curriculum, instruction and music essentials to receiving a high quality music education.

On **March 11, 2017** we are hosting *A Taste of Music*. Guests will enjoy an evening of small plate cuisine, craft beer and award-winning wines from the Paso Robles and coastal regions of California. The night features a large silent auction and a performance by our very own Bach Youth Chorale. A relaxing time of fun, food and music in support of the Bach Children's Choir.

There are several ways to contribute:

- **Make a donations to the silent auction.**
- **Donate a bottle or two of wine. Wine is the most highly sought after silent auction item.**
- **Sponsor the event by purchasing a table or be a Wine or Craft Beer sponsor.**

Please visit www.BachChildrensChoir.org for ticket and sponsor information.

For your contribution, we will gladly provide recognition in our *A Taste of Music* Program, Spring Concert Program and on our website. To find out more about our choir, visit www.BachChildrensChoir.org. Thank you for your generous consideration of this request in support of youth activities in the Central Valley.

Sincerely,

Suzanne Kimball

Suzanne Kimball
